

Job Posting

Broadband Manager

CNMEC is searching for a qualified Broadband Manager to join our organization. CNMEC offers competitive wages and an excellent benefits package. CNMEC pays 100% of the premium costs for medical/dental/vision for employee coverage; company paid life insurance and LTD benefits, a generous paid time off program, as well as a 401(k) retirement plan with company match and defined contribution.

Location: Moriarty, NM

Job Summary:

This position will be responsible to help CNMEC improve the quality of life by safely providing reliable broadband service to members by managing and directing the broadband functions of the cooperative. This includes managing and maintaining a fiber optic network that will bring high-speed internet to the homes and businesses throughout CNMEC's service territory.

Minimum Qualifications:

A bachelor's degree in business or a related technical field, plus 5 years' experience in management in the telecommunications/fiber optic industry preferred or a combination of education and experience providing equivalent knowledge. Requires demonstrated abilities and skills operating a personal computer using Microsoft Windows and Microsoft Office Suite applications to include Outlook, Excel, Word, and project management software.

Possession of a valid New Mexico Driver's License and satisfactory driving record as a condition of initial and continued employment.

To Apply: Send resumes with a letter of interest to Suzy Edmonds at suzy.edmonds@cnmec.org or PO Box 669, Moriarty, NM 87035.
