

# Accepting Bids for Janitorial and Maintenance Services and/or Landscaping Services

Central New Mexico Electric Cooperative is accepting bids for janitorial and maintenance services and/or landscaping services for our Mountainair and Moriarty locations.

The preference is to find an individual that can perform all three functions (janitorial, maintenance, and landscaping) but we will consider separate bids if necessary.

Please view the attached descriptions of services and the job bid form. Please send bid forms to Renee Burns at [renee.burns@cnmec.org](mailto:renee.burns@cnmec.org) or PO Box 669, Moriarty, NM 87035.

Contact Renee Burns with any questions and for further information on job requirements and to schedule a walkthrough of the building, at (505) 847-1003 or (505) 485-4328 or by email to [renee.burns@cnmec.org](mailto:renee.burns@cnmec.org).

Bids must be submitted and received by April 6, 2023,  
to be considered.

Central New Mexico Electric Cooperative is an Equal Opportunity Employer
