## Mechanic

CNMEC has an opening for a qualified Mechanic to join our organization. A New Mexico Commercial Driver's License (Class A) is required.

CNMEC offers competitive wages and an excellent benefits package. CNMEC pays 100% of the premium costs for medical/dental/vision for employee coverage; company paid life insurance and LTD benefits, a generous paid time off program, as well as a 401(k) retirement plan with company match.

**Location:** Moriarty, New Mexico

### Position

**Summary:** To provide effective and efficient maintenance and repairs on all Cooperative transportation and utility related equipment including bucket and digger trucks and all associated tools and devices used in the trade. Repairs shall be made in a safe and cost-effective manner.

### Minimum Requirements:

- Education and experience:
  - High school diploma or GED required.
  - Must possess a valid NM Class A Commercial Driver's License
  - Graduation from vocational/technical school with specific training in general mechanics, hydraulic and electrical systems, and welding with two (2) years of experience as a mechanic or equivalent combination of education and/or experience related to the trade.
  - ASE certifications may be required and/or desired.
  - Must be able to repair both diesel and gasoline engines.

Please view the full job description for more detailed information about the requirements and qualifications.

**To Apply:** Send resumes to Suzy Edmonds at [suzy.edmonds@cnmec.org](mailto:suzy.edmonds@cnmec.org) or PO Box 669, Moriarty, NM 87035.
