Dear Central New Mexico Electric Coop,

Thank you for coming to the auction this year and purchasing my goat. I really appreciate your generosity and support of the 4-H program.

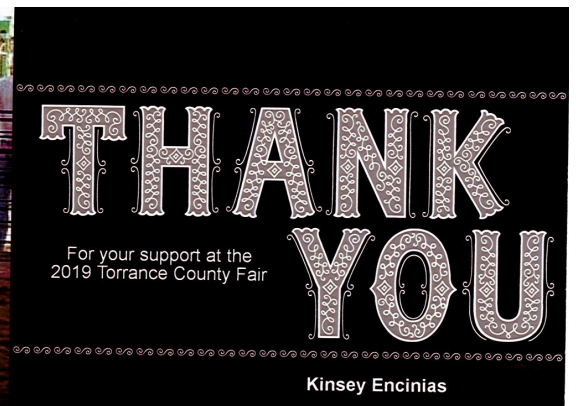

This was my first year making sale with my animals. Every year I learn a lot more about showing goats. It has taught me a lot about responsibility and time management.

I plan on using the money from the sale of my goats to help buy next years goats. It will also be used for feed and any other supplies needed.

Thank you again for your generosity.

Sincerely,

Dallas Cant

Dear Central New Mexico Electric,

Thank you so much for buying my goat this year! I am so grateful that I was able to show at county fair this year. With my county fair money I plan on buying new goats for next year, also I plan to help my sister with a lamb next year and help her buy the supplies she needs. This next year I plan to show horses and goats, and also rabbits. I also plan to help my sister show chickens and lambs. I have shown at county fair since I was five years old and I plan to keep showing until I am a senior in high school. Showing animals has taught me so much about life, responsibility, respect, and many others. Again, thank you so much for helping me with my project this year! I hope to see you at County Fair next year!

Dear Central NMElectric coop,
Thank you very much for being a Rodeo sponsor at the 2019 Mountainair Ranch Rodeo. The Rodeo was a great success. We will use the money we raised to attend leadership conferences, compete at local career development events, attend state convention, and participate in other FFA activities throughout the year. Thank you for your support of our chapter.

Thank you,
Mountainair FFA
