A Touchstone Energy® Cooperative

CELEBRATING OUR MEMBERS

CO-OP MEMBER APPRECIATION MONTH

This co-op is yours. Thank you.

At CNMEC, our members are at the heart of everything we do. As a locally owned electric cooperative, we are guided by the people and communities we serve. Your membership helps make reliable power and local service possible. Every day, our employees support the homes, farms and businesses that keep central New Mexico moving. We are proud to be part of these communities and grateful for the trust you place in us. Thank you for being a valued member of CNMEC, not just in October, but all year long.

CLINT PIERCE • 50 YEARS OF SERVICE

Clint began as an apprentice lineman at CNMEC on September 7, 1976. Over 50 years, he has seen our cooperative and the work evolve. He remembers crews coordinating by two-way radio. During the early-1980s ice storm, Clint and fellow employees worked long hours restoring power in Clines Corners, Vaughn and Encino. Today, as Engineering Supervisor, he shares his experience and keeps safety a priority. Congratulations, Clint!
